Notes

The fees stated above covers Transportation (Bus to/fro Kuala Lumpur and Cameron temple), Lodging (Shared Bunk Dormitory, separate quarters for men and ladies) and Vegetarian Meals in Sam Poh Temple.

Daily temple chores will be split among everyone during the retreat to help keep the premise clean and conducive.

We keep our retreats small because we give individual responses and personalized support to each meditator. Because of that, we always have people waiting for a place. We ask that you please let us know as soon as possible if you will not be participating so that we can give that position to someone on the waiting list.

This is an extraordinary opportunity and we want to make sure that as many people as possible are able to take advantage of it. Thank you!
